

Evolution of Our Flag

From the southeast bastion of Fort Moultrie—then known as Fort Sullivan—in Charleston, South Carolina, was unfurled this flag, in 1775. Originally utilizing a white crescent in the upper left hand corner of a blue field, the word "Liberty" was soon added to produce a design which served as both a solemn pledge and a thrilling inspiration. Once again, in a flag, could be noted the serious purpose which motivated those engaged in building this great new world.

Isens Get Tax Valuation Cut Because of Quake

Damage done to buildings by the earthquake of last fall was taken into consideration by the County Board of Equalization this week in granting a reduction in the assessed valuation of property on Cabrillo ave. owned by Jacob and Julian Isen. Jacob Isen obtained a cut to \$3,000 from \$5,730 on property at 1639 Cabrillo, because the quake caused the building to be condemned. No protest was made in the petition on the

July 20 Is Last Day

Julian Isen, owner of property at 1601-7 Cabrillo, was granted a reduction to \$4,000 from \$4,900 on his holdings. Here again the quake made the building structurally unsafe, according to the petition.

Both petitions were presented before the board by Albert Isen, acting as their agent. July 20 is the last day to file petitions for reductions in assessed valuation due to quake damage.

"Life" will be the Lesson-Sermon subject in all Churches of Christ Scientist, on Sunday. Jesus' statement, as set forth in John's Gospel is the Golden Text: "As the Father hath life in himself; so hath he given to the Son to have life in himself."

The following selection from Jesus' Sermon on the Mount, as given in Matthew's Gospel is included in the Lesson-Sermon: "Therefore I say unto you, Take no thought for your life, what ye shall eat, or what ye shall drink; nor yet for your body, what ye shall put on. Is not the life more than meat, and the body than raiment? . . . But seek ye first the kingdom of God, and his righteous laws; and all these things shall be added unto you." As the Father sent me into the world, and every perfect gift is from above and cometh down from the Father of lights, with whom is no variable shadow, neither shadow of turning."

A correlative passage from "Science and Health with Key to the Scriptures" by Mary Baker Eddy reads: "In divine Science, man is sustained by God, the divine Principle of being. The earth, at God's command, brings forth food for man's use. Knowing this, Jesus once said, 'Take no thought for your life, what ye shall eat, or what ye shall drink,'—presuming not on the prerogative of his creator, but recognizing God, the Father and Mother of all, as able to feed and clothe man as He doth the lilies."

They'll guard us well!

We will need their help many times and in many ways before this war is won. Whether it is keeping roads clear for essential traffic . . . whether it is guarding vital points and preventing sabotage . . . or whether it is stopping little girls' tears . . . we can depend on the auxiliary police.
